Explanation of Responses:

- The federal and state tax withholding due at the vesting of Restricted Stock Units was satisfied by Control4 through a net issuance of these shares, which were retained by Control4 as treasury stock, and the requisite withholding amount was paid to the relevant tax authorities by Control4 on behalf of the Reporting Person. We used the closing price of the shares on the day prior to the vest date for withholding calculations.
- The federal and state tax withholding due at the vesting of Performance-based Restricted Stock Units was satisfied by Control4 through a net issuance of these shares, which were retained by Control4 as treasury stock, and the requisite withholding amount was paid to the relevant tax authorities by Control4 on behalf of the Reporting Person. We used the closing price of the shares on the day prior to the vest date for withholding calculations.
- This is an amendment to the original filing because the price \$24.74 was inadvertently inserted rather than correct the price of \$24.08.
