## **Control4 Announces Presentation at the Stephens Fall Investment Conference**

SALT LAKE CITY, Nov. 7, 2013 (GLOBE NEWSWIRE) -- Control4 Corporation (Nasdaq:CTRL) today announced that Dan Strong, chief financial officer, will present at the Stephens Fall Investment Conference on November 12, 2013 at the Palace Hotel in New York.

The Control4 presentation is scheduled to begin at 4:00 p.m. Eastern (1:00 p.m. Pacific) and will be webcast live. Interested parties can access the webcast on Control4's investor relations website at <http://investor.control4.com/events.cfm>. The webcast will be archived and available for at least 90 days.

### **About Control4 Corporation (Nasdaq:CTRL):**

Control4 is a leading provider of automation and control systems for the connected home. Control4 unlocks the potential of connected devices, making entertainment systems easier to use, homes more comfortable and energy efficient, and families more secure. Control4 provides its consumers with the ability to integrate music, video, lighting, temperature, security, communications and other functionalities into a unified home automation solution that enhances their daily lives.

At the center of the Control4 solution is an advanced software platform, which Control4 provides through its products that interface with a wide variety of connected devices developed both by Control4 and by many third parties. Control4's solution functions as the operating system of the home, making connected devices work together to control, automate and personalize the homes of its consumers. By delivering insightfully simple, personalized control solutions that enhance the lives of individuals and families, Control4 is the automation platform of choice for consumers, major consumer electronics companies, hotels and businesses around the world.
